

Soliloquy vs. Monologue

What is a soliloquy?

- a speech by one person not heard by any other characters
- speaker is often alone on stage
- reveals character's inner thoughts

What is a monologue?

- an uninterrupted speech that can be heard by every character onstage
- typically long and tedious

Writing Warm-up

Do you ever find yourself talking to yourself? (Either aloud or silently?)

At what times does this occur?

Can you provide a specific example?

Soliloquy vs. Monologue

What is a soliloquy?

- a speech by one person not heard by any other characters
- speaker is often alone on stage
- reveals character's inner thoughts

What is a monologue?

- an uninterrupted speech that can be heard by every character onstage
- typically long and tedious
